FREEDMEN'S BUREAU PRESERVATION PROJECT

This National Archives microfilm publication is part of a multiyear project to microfilm the field office records of the Bureau of Refugees, Freedmen, and Abandoned Lands (Freedmen's Bureau). The project was made possible by the United States Congress through The Freedmen's Bureau Records Preservation Act of 2000 (Public Law 106-444). When completed, all of the field records for the States of Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Missouri, North Carolina, South Carolina, Tennessee, Texas, Virginia, and for the District of Columbia will be available on microfilm. For microfilm availability and description, consult the current edition of the National Archives publication *Microfilm Resources for Research: A Comprehensive Catalog*. **INTRODUCTION**

On the 90 rolls of this microfilm publication, M1903, are reproduced the previously unfiled records of the Georgia staff offices and subordinate field offices of the Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1872. These records consist of bound volumes and unbound records, containing materials that include letters and endorsements sent and received, monthly reports, registers of patients, orders and circulars issued and received, and other records relating to freedmen's complaints and contracts. These records are part of the Records of the Bureau of Refugees, Freedmen, and Abandoned Lands, Record Group (RG) 105.

This film series completes the reproduction of all Bureau records created in Georgia between 1865 and 1872. Many of these records were reproduced in 1969 in National Archives Microfilm Publications M798, *Records of the Assistant Commissioner for the State of Georgia, Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1869*, and M799, *Records of the Superintendent of Education for the State of Georgia, Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1870*.

**HISTORY AND ORGANIZATION**

The Bureau of Refugees, Freedmen, and Abandoned Lands, also known as the Freedmen's Bureau, was established in the War Department by an act of Congress on March 3, 1865 (13 Stat. 507). The life of the Bureau was extended twice by acts of July 16, 1866 (14 Stat. 173), and July 6, 1868 (15 Stat. 83). The Bureau was responsible for the supervision and management of all matters relating to refugees and freedmen, and of lands abandoned or seized during the Civil War. In May 1865, President Andrew Johnson appointed Maj. Gen. Oliver Otis Howard as Commissioner of the Bureau, and Howard served in that position until June 30, 1872, when activities of the Bureau were terminated in accordance with an act of June 10, 1872 (17 Stat. 366). While a major part of the Bureau's early activities involved the supervision of abandoned and confiscated property, its mission was to provide relief and help freedmen become self-sufficient. Bureau officials issued rations and clothing, operated hospitals and refugee camps, and supervised labor contracts. In addition, the Bureau managed apprenticeship disputes and complaints, assisted benevolent societies in the establishment of schools, helped freedmen in legalizing marriages entered into during slavery, and provided transportation to refugees and freedmen who were attempting to reunite with their families or relocate to other parts of the country. The Bureau also helped black soldiers, sailors, and their heirs collect bounty claims, pensions, and back pay.

The act of March 3, 1865, authorized the appointment of Assistant Commissioners to aid the Commissioner in supervising the work of the Bureau in the former Confederate states, the border states, and the District of Columbia. While the work performed by Assistant Commissioners in each state was similar, the organizational

structure of staff officers varied from state to state. At various times, the staff could consist of a superintendent of education, an assistant adjutant general, an assistant inspector general, a disbursing officer, a chief medical officer, a chief quartermaster, and a commissary of subsistence. Subordinate to these officers were the assistant superintendents, or subassistant commissioners as they later became known, who commanded the subdistricts.

The Assistant Commissioner corresponded extensively with both his superior in the Washington Bureau headquarters and his subordinate officers in the subdistricts. He prepared reports that he sent to the Commissioner concerning Bureau activities in areas under his jurisdiction, based upon reports submitted to him by the subassistant commissioners and other subordinate staff officers. He also received letters from freedmen, local white citizens, state officials, and other non-Bureau personnel. These letters varied in nature from complaints to applications for jobs in the Bureau. Because the assistant adjutant general handled much of the mail for the Assistant Commissioner's office, letters were often addressed to him instead of to the Assistant Commissioner.

In a circular issued by Commissioner Howard in July 1865, the Assistant Commissioners were instructed to designate one officer in each state to serve as "general Superintendents of Schools." These officials were to "take cognizance of all that is being done to educate refugees and freedmen, secure proper protection to schools and teachers, promote method and efficiency, correspond with the benevolent agencies which are supplying his field, and aid the Assistant Commissioner in making his required reports." In October 1865, a degree of centralized control was established over Bureau educational activities in the states when Rev. John W. Alvord was appointed Inspector of Finances and Schools. In January 1867, Alvord was divested of his financial responsibilities, and he was appointed General Superintendent of Education.

An act of Congress, approved July 25, 1868 (15 Stat. 193), ordered that the Commissioner of the Bureau "shall, on the first day of January next, cause the said bureau to be withdrawn from the several States within which said bureau has acted and its operation shall be discontinued." Consequently, in early 1869, with the exception of the superintendents of education and the claims agents, the Assistant Commissioners and their subordinate officers were withdrawn from the states.

For the next year and a half the Bureau continued to pursue its education work and to process claims. In the summer of 1870, the superintendents of education were withdrawn from the states, and the headquarters staff was greatly reduced. From that time until the Bureau was abolished by an act of Congress approved June 10, 1872 (17 Stat. 366), effective June 30, 1872, the Bureau's functions related almost exclusively to the disposition of claims. The Bureau's records and remaining functions were then transferred to the Freedmen's Branch in the office of the Adjutant General. The records of this branch are among the Bureau's files.

Constrained by limited resources, Southern opposition, and the politics of Reconstruction, the Bureau faced an enormous challenge in its efforts to assist the freedmen and refugees. Its relief efforts, without question, saved thousands of southerners from starvation. Its attempts to assist freedmen to become self-sufficient, to provide public education, administer justice, and, to a lesser degree, to provide land, all worked with varying degrees of success to lessen the difficulties during the transition from slavery to freedom. One of the Bureau's greatest legacies is the body of records it created and received during the course of its operations. These records are arguably some of the most important documents available for the study of the Federal Government's policies, efforts to reconstruct the South, and Southern social history and genealogy.

**THE FREEDMEN'S BUREAU IN GEORGIA**

**Organization**

Bvt. Maj. Gen. Rufus Saxton, who had directed the "Port Royal Experiment," was appointed Assistant Commissioner for South Carolina, Georgia, and Florida. Saxton established his headquarters at Beaufort, SC, in June 1865, and assigned Gen. Edward A. Wild the responsibility for Bureau affairs in part of Georgia. In September 1865, after Wild was relieved from duty, the office of Assistant Commissioner for Georgia was established, and Brig. Gen. Davis Tillson was appointed as Acting Assistant Commissioner, with exclusive control of all matters concerning the Bureau in Georgia. Tillson reported to General Saxton in South Carolina until December 1865, when he was ordered to report thereafter directly to Commissioner Howard at Washington. Generally, the records pertaining to Georgia and Florida that were created during this early period are included among those of the Assistant Commissioner of South Carolina.

The organization of the Bureau in Georgia was similar to that of the Bureau headquarters in Washington. The Assistant Commissioner's staff included an assistant adjutant general, an assistant inspector general, a chief quartermaster and disbursing officer, and a superintendent of education. Three officers served as Assistant Commissioner in Georgia between 1865 and 1869 and located the Bureau offices in four different cities during that period. General Tillson first established his headquarters at Augusta in September 1865 but moved it to Savannah in October 1866. Col. Caleb C. Sibley succeeded Tillson as Assistant Commissioner in January 1867, and 2 months later he moved the headquarters from Savannah to Macon. It remained there until July 1867, when the office was transferred to Atlanta. In October 1868, Maj. John R. Lewis replaced Sibley as Assistant Commissioner. Lewis served until the office was discontinued in May 1869. From January to May 1869, Major Lewis combined the duties of Assistant Commissioner, with those of superintendent of education. After the office of the Assistant Commissioner was discontinued, Lewis continued to serve as superintendent of education until May 1870.

The major subordinate field offices for the Bureau in Georgia, for example, included those with headquarters at Albany, Americus, Athens, Atlanta, Augusta, Columbus, Macon, and Savannah. Under the direct supervision of the subassistant commissioners were the civilian and military agents. Occasionally, the Bureau retained military officers in a civilian capacity after the termination of their military service. For a list of selected Georgia subordinate field office personnel and their dates of service, see the Appendix.

**Activities**

The major activities of the Freedmen's Bureau in Georgia generally resembled those conducted in other states. The Bureau issued rations and provided medical relief to both freedmen and white refugees, supervised labor contracts between planters and freedmen, administered justice, and worked with benevolent societies in the establishment of schools.

When General Davis Tillson took over as Assistant Commissioner for the Freedmen's Bureau in Georgia in September 1865, many of the major cities and towns in the state were troubled with overcrowding, disease, and poverty. In the cities of Macon, Atlanta, Augusta, and Savannah, freedmen and refugees were living in some of the most crowded and deplorable conditions, and many were in dire need of food and clothing, shelter, and medical attention.<sup>1</sup> Convinced, however, that Federal Government relief should be temporary and solely for the needy, General Tillson issued an order on October 3, 1865, prohibiting the distribution of rations to freedmen and refugees who were able-bodied but refused work. To discourage idleness and dependency, Tillson further ordered that only those persons who were able to provide for themselves would be allowed to remain in the towns and cities. Those who desired to stay, said Tillson, "must be compelled, if necessary, to go to the country and accept places of labor found by themselves, or for them, by officers or agents of the Bureau."<sup>2</sup>

Tillson's orders were strictly enforced. One month after his pronouncement, rations issued in Savannah had been reduced from 120,000 to 60,000 per month. For the month of June of 1866, the number of rations issued for the entire State of Georgia totaled less than 20,000. However, in spite of the Bureau's "self-help" policy, limited resources, and the belief that local governments should play a greater role in providing relief for the destitute, the Georgia Bureau issued some 847,669 rations from June 1865 to September 1866. Although the Bureau's actions prevented wholesale starvation and untold suffering, the agency's rations-relief efforts were far less extensive than what Bureau officials had done during the same period in Alabama, North Carolina, South Carolina, and Virginia. Tillson's successors, Assistant Commissioners Caleb C. Sibley (January 1867–October 1868) and John R. Lewis

(October 1868–May 1869) continued to follow the policy of providing limited rations relief. During their tenures, rations were issued only in emergencies and for the most part to hospitals and asylums.<sup>3</sup>

The Georgia Bureau's policy of temporary relief for the needy also guided its approach in providing medical care and assistance for the destitute. Like its ration program, the Bureau viewed its responsibility as one of providing temporary medical relief, primarily in cases of extreme emergencies. The Bureau believed that the ultimate responsibility for providing medical care to those in need lay with Georgia civil authorities. J. W. Lawton, who served as surgeon-in-chief under General Tillson, saw the use of dispensaries as the best means of administering medical relief and the most effective approach to encourage civil officials to take on some of the cost for operating them. Lawton and his successor at various times maintained dispensaries at Albany, Americus, Brunswick, Columbus, Darien, Newton, St. Catherine's Island, St. Marys, and Stone Mountain. The Bureau's medical department also opened hospitals with the idea of eventually turning them over to state and local authorities. The Bureau maintained hospitals at Atlanta, Augusta, Columbus, Macon, and Savannah. At the height of its medical operations (1866–67), however, the agency employed just 13 physicians. Nonetheless, with its limited and overburdened medical staff, the Bureau treated more than 5,000 freedmen for various ailments and vaccinated some 20,000 freedmen and refugees against smallpox from September 1, 1865, through September 20, 1866. By September 1867, the number of freedmen treated by Bureau nearly tripled. At the end of June 1868, close to 17,000 freed men, women, and children received treatment. Despite the Bureau's efforts to treat the weak, the sick, and infirm, the mortality rate among freedmen remained high. By late 1868, most of the Bureau's medical activities ceased, and care for the destitute was turned over to local authorities.<sup>4</sup>

In Georgia, as in other states under the Bureau's jurisdiction, the regulation of written labor contracts between planters and freedmen was of paramount concern. General Tillson's order of October 3, 1865 (Circular Number 2), which restricted the issuing of rations only to those in need, also instructed his subordinates to "make immediate and vigorous efforts" to secure work for unemployed freedmen "where fair compensation and kind treatment will be secured to them." Upon arrival at his

post in early September 1865, Tillson found the labor system in Georgia in disarray. Able-bodied freedmen were being paid from \$2 to \$7 per month. Many were of the notion that the Federal Government was planning to distribute land to them at Christmas or New Year's, and thus large numbers of freedmen were refusing to sign labor contracts. Planters, on the other hand, were convinced that the Bureau was the "champion" of the freedmen and totally insensitive to their concerns about freedmen and their unwillingness to labor, and were thus making little effort to prepare for the planting season.<sup>5</sup>

On December 22, 1865, in an effort to remove "false and mistaken impressions" held by the both planters and freedmen, Tillson issued wage guidelines that both parties were expected to follow. Under the new rules, freedmen had the right to choose their own employers, but those freedmen who refused to sign contracts after January 10, 1866, "where employers offer good wages and kind treatment," had to accept contracts that the Bureau made for them. In upper and middle Georgia, where the land was poor and unsuited for raising large quantities of crops, Tillson instructed his officers to secure contracts paying men \$12-\$13 per month, and \$8-\$10 dollars per month for women. Freedmen were to provide for their own clothing and medicines. In other parts of the state and along the coast and southwestern Georgia, where "good crops" could be raised, men were to be paid \$15 per month, including board and lodging, and women \$10 per month. In areas where planters preferred to pay a share of the crop, the order required payment of "from one-third the gross to one half the net proceeds."<sup>6</sup>

Realizing that not all planters would comply with his new wage guidelines, Tillson instructed his subordinates to call on the military to enforce his orders whenever necessary. He was aware in spite of his orders, many of the contracts being signed, even some approved by his own agents, were substandard and not in compliance with his wage schedule. He made clear to both his agents and the planters that such contracts would not be recognized. To emphasize the importance of and his commitment to fair contracts and compensation for freedmen, Tillson offered transportation to freedmen to such areas as southwest Georgia and the Mississippi Valley where wages were higher. In a November 1866 report to Commissioner Howard, Tillson indicated that he had issued 381 orders for transportation for some 2,947 men and 1,013 children.<sup>7</sup>

Safeguarding rights and securing justice for freedmen was a major area of concern for the Freedmen's Bureau. Following the Civil War, several Southern states enacted a series of laws commonly known as "black codes," which restricted the rights and legal status of freedmen. Freedmen were often given harsh sentences for petty crimes and in some instances were unable to get their cases heard in state courts. In a circular issued by Commissioner Howard on May 30, 1865 (Circular Number 5), Assistant Commissioners were directed to "adjudicate, either themselves or through officers of their appointment, all difficulties arising between negroes themselves, or between negroes and whites or Indians." In response to Howard's circular, General Tillson issued an order on November 15, 1865 (Circular Number 4), instructing his officers to hear and make determinations in cases involving freedmen in which the disputed sum did not exceed \$50, or the punishment did not exceed \$50 or 30 days' imprisonment. Agents were also told that they could "try offences committed by or against freedmen, provided the sentence imposed does not exceed one hundred and fifty dollars or imprisonment for at hard labor for sixty days." Tillson further ordered that "It is preferred that all cases of any importance . . . whenever under the laws there of [the State of Georgia], or by agreement of the parties . . . [where] the testimony of Freedmen can be admitted . . . the Agent will turn them over to the civil authorities for trial." To carry out Tillson's orders, agents were to establish three-member tribunals (known as freedmen's courts) consisting of a Bureau official and two citizens, one chosen by each party involved in the case.<sup>8</sup>

However, when the Georgia State Legislature passed an act conferring civil rights on "persons of color," approved March 17, 1866, Tillson advised his officers on April 6 (Circular Number 4) that they were no longer required to comply with Commissioner Howard's orders of May 30, 1865. While Tillson told his agents that they were to continue to follow instructions issued by him on November 6, 1865 (Circular Number 4), "all cases exceeding their jurisdiction, unless otherwise specially directed by the Department Commander, [were to] be turned over to the civil authorities of the State for adjudication." Despite the Bureau's efforts to secure justice and civil rights for freedmen in Georgia, blacks continued to complain to the agency about some of the "most fiendish and diabolical outrages" suffered by them at the hands of gangs known as "Regulators," "Jayhawkers," and the "Black-horse cavalry." Perpetrators of crimes against freedmen were often not apprehended or prosecuted by civil authorities. At various times, because of increased hostilities toward freedmen and the failure of civil authorities to take action in their cases, Bureau officials in Georgia were compelled to reassert their authority.<sup>9</sup>

Bureau educational activity began in Georgia in October 1865, when G. L. Eberhart was appointed as superintendent of schools (later education). In August 1867, Edward A. Ware succeeded Eberhart. In January 1869, Assistant Commissioner Maj. John R. Lewis assumed the duties of superintendent of education. Lewis served

in both capacities until May 1869, when the office of Assistant Commissioner was discontinued, and remained as superintendent education until May 1870. The records of the two offices were not combined. Ware, who had been acting as assistant superintendent, remained in Georgia as acting superintendent until August 1870, when all Bureau officers except the claims agents were withdrawn from the state.

Congress's failure to provide an appropriation for the Freedmen's Bureau during its first year of operation, impacted significantly on the agency's ability to provide adequate assistance for freedmen education. With limited financial resources, the Bureau provided help when it could, and worked vigorously to encourage freedmen and Northern benevolent societies to take on the primary responsibility for providing support for black schools. G. L. Eberhart and his successors were of the opinion that "colored people who are unwilling to help educate their children do not deserve to have schools." To encourage freedmen to participate in this self-support effort, Eberhart urged them to establish educational associations. With assistance from local Bureau agents, educational associations were established in the subdistricts of Thomasville, Bainbridge, Albany, Georgetown, Cuthbert, and Americus. In early 1866, the "pay your own way" policy led to the founding of the Georgia Educational Association (initially organized as the Georgia Equal Rights Association). The Educational Association worked closely with the Bureau and Northern aid societies and became the model "to encourage the people [freedmen] to organized effort in supporting their own schools & managing their own affairs." By the end of 1866, freedmen owned 57 schoolhouses and provided support for 96 of the 127 schools in the state. By the spring of 1867, freedmen contributions sustained some 104 schools and teachers and more than 3,000 students. During the same period, the Bureau maintained some 44 schools and 50 teachers and close to 3,100 pupils. Northern aid societies provided support for 84 schools, 78 teachers, and over 7,000 students. Freedmen also defrayed the expenses for 45 schools under the control of the Bureau and the aid societies.<sup>10</sup>

With the passage of the Army Appropriations Act on July 13, 1866 (14 Stat. 90), the Bureau received its first appropriation and was able to provide greater assistance in its effort to support freedmen education. In addition to providing some \$21,000 for state superintendents' salaries, the Act made available \$500,000 more for the rent and repair of school buildings. In the same month, Congress overrode President Andrew Johnson's veto and extended the life of the Bureau for 2 years. In this new legislation (14 Stat. 173), the Bureau was allowed to "seize, hold, use, lease, or sell" Confederate property for the purpose of educating freedmen. The act also required the Bureau to work closely with benevolent groups and to lease buildings to those associations that supplied teachers. By early July 1869, the Bureau had expended nearly \$105,000 for the construction and repair of school buildings that provided accommodations for 4,690 students. The Bureau spent an additional \$10,471 for the

repair of buildings that provided part-time space for more than 3,500 pupils. By the time the Bureau withdrew from Georgia in 1870, the agency had contributed funds for the building of some 50 schools in the state.<sup>11</sup>

**RECORDS DESCRIPTION**

These records consist of volumes and unbound records. The volumes reproduced in this microfilm publication were originally arranged by type of record and thereunder by volume number. No numbers were assigned to series consisting of single volumes. Years later, all volumes were arbitrarily assigned numbers by the Adjutant General's Office (AGO) of the War Department after the records came into its custody. In this microfilm publication, AGO numbers are shown in parentheses to aid in identifying the volumes. The National Archives assigned the volume numbers that are not in parentheses. In some volumes, particularly in indexes and alphabetical headings of registers, there are blank numbered pages that have not been filmed.

The volumes consist of letters and endorsements sent and received, press copies of letters sent, registers of letters received, letters and orders received, special orders and circulars issued, registers of complaints, and monthly reports forwarded to the Assistant Commissioner. The unbound documents consist of letters and orders received, unregistered letters and narrative reports received, special orders and circulars issued, general orders and circulars received, monthly reports, and records relating to complaints, labor contracts, patents, and court papers.

**LIST OF BOOK RECORDS OF OFFICERS**

The single-volume list of book records of officers in Georgia (no date) is arranged by office, with records of the Assistant Commissioner first, followed alphabetically by locations of the subdistrict offices. Included in the list of book records are the type of record in each book or volume, the dates of the volume, and the volume number. Throughout this introductory material and in the Table of Contents, the AGO volume number appears in parentheses in the series descriptions of the records.

Respectfully returned to Mr. J. G.  
R. Lewis, a. a. Comr this paper  
J. S. Skill, with the information  
that I called on the Judge  
Armstrong & kind all the law  
with James Dooly, Comr of this  
with reference to the within  
named case. And C. C. Armstrong  
informed me that the children  
were properly and that the  
Freedom Robinson were  
and attempted to carry off  
said children; that Henry  
of Boy, he ordered him to leave  
and in refusing they arrested  
him and put him in jail  
through the advice of some of  
his friends. Friends Col Armstrong  
has since released from jail  
the name of James Robinson  
no words of an injury  
in the world and there being no  
said a plea as to a action  
shown in the law. He said  
he told Robinson he had  
no business a home in  
Dooly County, and then bring  
charges against said

to recover damages for false  
imprisonment, and that he  
was being covered under the  
his case for him. That he  
said Armstrong procured a  
situation for said Robinson  
in Court, but he only  
remained in it a short time  
before he left it and returned to  
Patrick County. I made enquiry  
of the Clerk regarding the  
Substantive of James that the  
armstrong's statement was  
correct. He also informed me  
that one of the children had  
been collected away since that  
time supposed to be by or  
through the influence of  
Robinson.

Sir

John Gaudy, a free man who is with  
myself employed under a written contract by Messrs Jones  
& Willard Jones of Webster Co. for this year makes com-  
plaint that in consequence of some false statements other  
free men had circulated about him and of some dissatis-  
faction, which had been caused by his not getting back  
soon enough to the house at night to water the horses,  
as he was working 8 miles from the house, he and  
a set of parties had both together collared him, shaken  
him about pretty roughly, cursed him, drawn their knives  
on him & threatened to cut his throat if he opened his  
mouth for his defence.

He thinks he can not go back without a repetition of  
similar or worse occurrences and desires a few lines  
demanding Mr. Jones to let him take away his  
family without <sup>doing</sup> violence to him.

He is living nearly forty miles from Americans and  
did not know that he had to go there to make his  
arrangement. I thought it proper to see him and send  
to you and save him a trip to Americans.

He is a negro of more intelligence and understanding  
than usual and I believe his statements to be true.

Write by return mail if you please whether he shall  
return or not and in the latter case send him the  
lines mentioned on the preceding page, so that he can  
get his family. If you will send Simons your  
card to me I will see to it, that he makes his

Dear Sir

I have requested one of our  
a certificate in the case of Richard Coley from  
1811 Robert Parker tried by you in Presto Minister to  
as to truthfulness a contradictory of Parkers  
communication ~~is~~ published in the journal

& know all the facts connected with the case  
I therefore certify that in the investigation of said  
case that the same was impartially disposed  
by one of the Robinson under the proofs as sub-  
mitted. If either of the parties had the right of  
complaint, it was Richard & not Parker and I  
think he had none because the party was con-

Captain,

I have the honor  
to report that I have this morning received  
positive information through S. H. Wilson  
at Marshall that a person (the name  
who committed the assault on the Indian  
in this city to shooting him down in  
public that on Monday) and who succeeded  
in escaping from justice is now in  
Garretts Texas. I would therefore re-  
spectfully request that immediate measures  
be taken to arrest said person (the name)  
and return him to this city for trial.  
The case is a most aggravated one,  
I have also been informed by reliable authority  
that on the day of the shooting, that there  
were 150 armed men posted in buildings  
in the street ready to shoot me and my

press down had no success in making  
the court. The sister and friends of  
this speaker (Clanton) are very defiant  
and insulting, and publicly boast  
that he is beyond the reach of justice,  
and I think it would do them  
a useful lesson, to have him returned  
to this place for trial - or better still  
that he be tried by a Military Commission

Sir  
When in Preston Webster  
County on Tuesday 9<sup>th</sup> Inst. I found William Harris  
(Colored), confined in the dungeon of the Jail, on complaint  
of attempted murder of Daniels. The jail is a small two  
story building, on the upper floor I found a trap door of  
iron, which being unlocked I descended by means of a  
ladder to the lower portion of the building, where I found the  
jailer Wm Harris. The place was dark and filthy, and  
the only bedding in the place was a very narrow blanket; Having  
two soldiers with me I ordered Harris to be taken out for exercise  
I then examined the evidence on which he was committed, and  
found it very lame and conflicting, on examining the person  
Harris I found he had been stabbed in the back by Daniels. I also  
heard on enquiry that Harris had been working the plantation  
of Daniels on shares, and it looks very much as if Daniels had driven  
Harris off in order to get his share of the crop. Not knowing  
whether I had authority to order his release I employed a lawyer  
to take him out on a writ of "habeas Corpus", should this not  
be successful, I would respectfully request such instructions as  
will enable me to act promptly. I fear there is no justice to  
be had from Judge Bail, so far as I am concerned  
and would respectfully request his removal from Office

Sir:

The charges I have to make against Judge Ball  
of Miller Co. are:

That he bound out Sam Kelly an orphan boy a  
color 14 years old, to Sam Kelly, on the latter's representa-  
tion, that Sam wished to be bound out to him -  
the law prescribes that orphans over 14 years old, shall  
select their own guardians. Sam when hired to Sam  
Kelly had told him, he kidnapped him from an-  
other county and then went to Judge Ball, who  
gave him an indenture of apprenticeship, without  
having seen the boy. Sam run away, is captured  
and I investigated the case and examined the  
records of the county court & his office.

Judge Ball did return Sam Holly to his former owner and cousin a Slave till Sam was 21 years - all this at Webster Co. Ga. in the months of February & March 1837. Attention is respectfully invited to my letter, dated April 3 1837. which I enclose with a copy of indenture. Enclosure 1. & 2. B. & C. The indenture is cancelled.

The second charge is that Judge Ball of Webster Co. sentenced W. Sheppard to pay a fine of \$125<sup>00</sup> and Cost \$40<sup>00</sup> for having deceived an other freedman from a verbal contract; the evidence was circumstantial of a ridiculous weak character - the verbal contract was no contract at all, as when brought into writing was disapproved by the Bev. officer and for this reason the freedman Sheppard left his former Em. owner. Your attention is respectfully called to the letter from my office - dated April 11. '37 and the indorsement of the Statute, which proves that the case was very fact.

Here, this County Judge has sentenced a

predecessor, to two years slavery, to pay \$125,000 -  
with out two years labor, for a not existing crime  
and if existing and the practice against Snodgrass  
would have been excessive, which it was not -  
the fine and cost are exorbitant and show  
Ball's unwillingness to remain longer a Judge.

The second letter from J. L. Robinson Esq.  
Agent Gen. of America, Ga, Enclosure 4 & 5, I  
respectfully recommend to your attention and  
suggest that an officer being to send them

I wish you would send me some instructions in regard to the freedman Will. Harris, who is confined in the vile dungeon at Preston. It is a gross outrage and I only want one word from you in order to release him. Several persons from Preston, have seen me in regard to the matter. Shall I take the responsibility of releasing him? If you say so I will go on Saturday night to Preston and release him & bring him here & hold him until you hear from Atlanta. Something should be done at once, it is a specimen of great cruelty & an outrage.

Very truly  
and respectfully  
Yours,

(Supt. Schools for Freedmen)

Sir - This County  
is filled with the freedmen & their children who  
are destitute of a school and too poor at pres-  
ent to support a good one. They are anxious to  
learn and show considerable aptness, as I am witness  
having given some of them lessons at night.  
I have consented to undertake the school, and I  
am decidedly their preference, provided I can get  
assistance from you. In fact they beg me to  
apply to you. My daughter who is now with her  
mother in Baltimore will assist.

We are destitute of a suitable school house; though  
that fact will not deter me from beginning in a  
small room for the present. I am a Philadelphian  
by birth & education & refer you to the Hon. J. H.

Sir

Yesterday you did send to me  
instead of the letters demanded and an explanation half  
a letter I enclosed to said papers. When at your  
Office I urged to forward these papers and with  
the completeness as ordered by the act. I found  
parts of this papers and finally you found the  
rest in your office - You forwarded this paper to  
my office with an endorsement of you on an  
enclosure - written by me - I did return this  
papers after 3 weeks you after having cut the  
they leave from my letter you return this letter  
and say that you have forwarded the balance.

As you have no record of your letters and  
I keep a record of every paper passing through  
I know you did not, and if you did it only  
proves that you are very neglectful in retaining  
parts of these papers - with you forward

I have not seen a letter in the last week  
you sent me - I am sure with the  
amount of business you are doing you  
know how to get a letter - I am sure  
with your state of mind and business  
and all your own and various other  
habits - or you better write

I am not coming to visit any longer  
for some letters etc - and will I have no  
more and receive your publications etc.

I saw letters from the late Dr. Wagner  
to Dr. Wagner & wife in your name - I  
remarked to you quite cheap that you  
should forward them to Columbus - the  
little business shows irregularity of  
habits.

In the case of the shooting the report  
and your call for troops - I never thought  
it necessary to report or write a word to  
me - I know that you do it not for the  
sake of showing your superior or myself  
but you never thought of it.

Your action of the Webster County Jail

case I can as a military man not approve  
but can not help to tell you that the  
humanity you show to the rest of your  
position commands my highest respect.  
I say so as I can prove, especially  
that such brutalities have long time  
escaped punishment and were not  
rare in my District - you will see  
by <sup>from</sup> the last encirclement that a declaration  
under oath by somebody is required  
look carefull at those papers and  
act accordingly -

You will without delay report  
to this Hd. Q. for how many days  
your Detach of Troops (for this month) has  
rationed. That is to say

Number of men -

Date when one or <sup>2</sup>/<sub>3</sub> men left -

No: of new men

Date from where they need rations

if Capt West came with rations to the end of the  
month - ? if not how many days does he  
need rations.

Send in time the beef bill - for one day  
fresh beef, for the next salt meat and so on.

You do not need 4 Wall tents for 7 men  
quarter them in the Court house if you have  
no room in the tents. I do not know  
exactly how many men you have

but I expect by your indication that  
you have not more than 7.

When a man loses your detachment  
you must report it with care as I have to  
write for information to make my returns out  
correctly I expect from my officers to  
help me work by a like promptness  
but if it is not done very promptly my  
work is only increased.

I see your letter still without book

now work your office accordingly to the

fever. Being unable to write you he  
requests me as his attending physician  
to do so. I think it will be several  
days before he will be able to attend  
to the duties of his office. His wife  
and two of the guard are also under  
medical treatment. In former years (continued)  
the latter of malarial fever I do not  
think it is owing to either impure air or  
location as no part of our city is swampy.  
I believe all of the guard have in the  
last two weeks been in malarial, under  
medical treatment by me.

Being requested by

are and have been sick I have looked

Captain

in response to the notice calling on me  
to show cause forthwith or pay over the  
money to the amount of a judgment ren-  
dered by you in the case of Alfred Royal prisoner  
for the sum of \$114<sup>00</sup> Respondent respectfully  
sheweth that said judgment is inequitable  
& unjust & should not be enforced as he believes  
and at the trial of said case respondent did  
not know the facts thereof & therefore failed  
to present the same to your honor, Respondent  
further sheweth that said judgment should  
be set aside & a rehearing granted upon  
the following grounds to wit:

1<sup>st</sup> Because Respondent is not nor never was  
liable to pay Alfred Royal any money  
whatsoever, as he respondent never undertook  
or promised to pay him any sum what-  
ever in any way.

2<sup>nd</sup> That the judgment rendered in said case  
is not in accordance with equity, good conscience  
or justice & contrary both to English & American  
law as adjudicated by the courts.

3<sup>rd</sup> That if any person is liable to the said  
Alfred it is John W Jordan & not respondent

The said Jordan assumed & undertook  
of the said Nathan to pay all liabilities that  
said Nathan was responsible for to the said  
Alfred & said Bruce in reference to the  
said lot at the time he purchased from the  
said Nathan & Respondent had nothing  
whatever to do with the leasing of the lot or  
any portion thereof to the said Alfred by  
the said Nathan or the sale by the said  
Nathan to the said Jordan - except that  
he consented to take up the Bond made  
by him to the said Nathan & make one  
to Jordan by the special request of  
said Nathan & Jordan - which he did  
binding himself to make good &  
sufficient title in fee simple upon the  
said lot upon the payment of the  
purchase money - which he is ready  
& willing to do at this time upon con-  
presence on said Jordan's part  
4<sup>th</sup> The doctrine of Landlord & Tenant  
does not arise in this case as  
the said Nathan Bruce was not  
holding under respondent as tenant  
But was holding under a purchase  
& Sale in his own right - Therefore res-  
pondent contends that your Honor com-  
mitted error in holding that it did  
exist & the acts of Nathan constituted

his respondent's agent & therefore  
made him liable for the payment of  
said sum

5<sup>th</sup> Because respondent has discovered  
witnesses who will substantiate & prove  
the facts as set forth & that he was not  
culpable of the same at the time of  
trial. Said witnesses are Dr 13941 and  
others men of high character

6<sup>th</sup> Having stated these several grounds  
of error respondent prays that  
you will take the statement hereto  
annexed of said Nathan corroborated  
by others as part of the case and  
that you discharge respondent from  
said judgment or upon the case  
so that the facts be presented & justice  
be done in the premises in accordance  
with Equity & justice -

And respondent will ever pray

of Messrs Chevers & Lee of Sumter Co  
they employed 10 freedmen to labor  
for them during the year 1867 for  
one fourth of the crop. Said Chevers  
& Lee have sold the best of the cotton  
& there are ten Bales of Cotton in  
the ware house of W. Price & Son  
of an inferior quality - It will take  
the entire 10 Bales to pay off the freed  
men & the same has been levied  
on by the sheriff of the county  
who refuses to deliver up said  
cotton to the freedmen though urged  
by you under orders. We wish an  
order that the cotton be turned over  
to said freedmen forthwith & they

allowed to see the same, several  
of said gentlemen are desirous of  
crossing the County, & can't leave  
until they get their ways, Should  
there be any balance left on hand  
we are willing to turn said balance

Sir,

In accepting in making settlements between freedmen & their employers, you will require the employers to pay for the medical attendance for which they are charged in the freedmen's accounts.

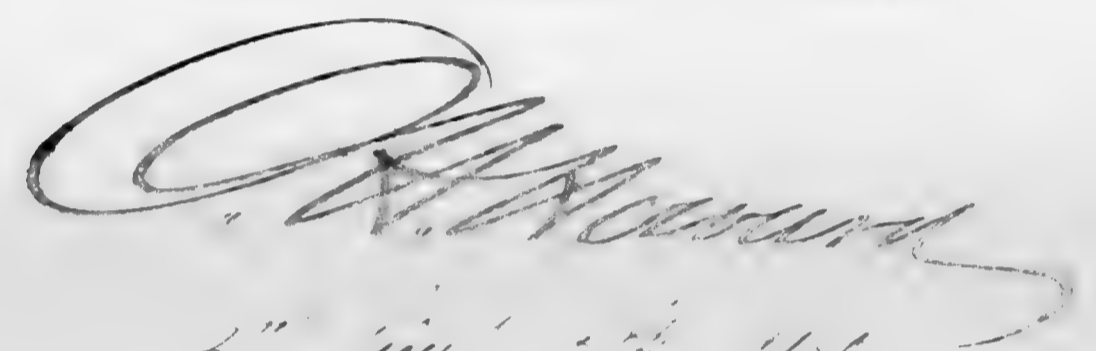

If the physicians employed are not satisfied by the employers they & the employers will be required to pay the full value the Government of their bills for medical attendance in which is provided that the freedmen pay the physicians.

It is a matter of the most vital importance to the freed people that accounts of this nature be promptly paid, to the end that they may have proper

medical attendance in future.

It is hoped that physicians will  
use no visitation in attending poor people, being assured  
of the assistance of the Bureau in obtaining their pay.

Dear Sir

In reply to your favor  
of the 26<sup>th</sup> inst allow me to say  
that the freedwoman "Milley Laramore"  
worked for Jno Laramore  
on his plantation in this county  
and I addressed my communication  
to Mr Laramore at this plantation  
not knowing that he lived at  
Americus.

There are complaints on file  
in this office against Mr Laramore  
for not paying the freedmen in  
his employ 1866. I lived in this

County at the time and have  
some knowledge of his conduct  
towards these freedmen from  
reports then current & generally  
believed. The complainants in  
this case are more convenient  
to Smithville than to Americus;  
they are many, Mr Laramore  
is but one & better able to  
pay RR fare than they, hence  
I enclose a communication  
directing his presence at this

you will have delivered to him.

In reply to Circular Letter  
from Office Assistant Commissioner dated Febru-  
ary 24<sup>th</sup> 1868, I have the honor to state, that on  
the 3<sup>rd</sup> of June 1867, Spikes Clayton a young  
white man of this town shot a freedman by  
the name of Samuel Hawkins, and immediately  
made his escape notwithstanding every effort  
to capture him. ~~Since~~ the freedman was not  
killed but recovered entirely, but was subsequently  
killed by lightning. Spikes Clayton is now  
in Havana.

Washington Cole Freedman was shot in same  
month by one Robert Elliott white and badly  
wounded, Elliott also made his escape  
notwithstanding every effort was made  
to capture by Civil & Military Authorities

During the same month, Hally Johnson who  
was murdered by another Highlander by the  
name of David Mitchell, and Mitchell was  
arrested and imprisoned, but the Grand  
jury could find no true bill against  
him, as the evidence which would have  
convicted him was suppressed, - David  
is now at work on the same place where  
he committed the murder,

On Friday night last  
Geo Mc'Cuca, Colored, shot Patrick Stewart  
Colored, <sup>in the back,</sup> on the public square ~~in the back~~ in-  
flicting a dangerous wound, Mc'Cuca is  
now in jail, awaiting the issue.

The foregoing embraces all the  
serious cases that have come to my knowledge  
Many fights and assaults have taken place  
but have generally been settled between the  
parties themselves or have not amounted to  
much -

Sir,

I have the honor to report the following state of facts connected with the case of Alfred Royal Friedman vs William H. Peurr. Alfred commenced before me his action against said William H. in which case I gave judgment in favor of Alfred for one hundred and fourteen dollars, (\$114) -

After the rendition of this judgment said William H. asked for a new trial stating that he had not had a full opportunity to present his evidence, which new trial was granted - On the rehearing no new evidence was adduced and I affirmed the judgment which I had before rendered namely one hundred and fourteen dollars, (\$114) in favor of Alfred.

Said William H. is a man of considerable property but he refuses to pay the judgment rendered in this case against him and says that he will not pay the same until he is compelled to do so.

Owing to orders received from head-quarter,  
I have no power to enforce this judgment  
by seizing the property of said William H. and  
as he refuses to pay the amount I write you  
instructions in regard to this case

Sir.

I received your  
Notice this morning and <sup>am</sup> happy to inform  
you - that you have been misinformed  
as to my not complying with my contract -  
I have complied to the letter - and have  
proof to the same - My contract says that  
she shall be entirely subject to to directions  
and control, and that she shall be an  
obedient and respectful servant to me  
and family and when I directed she  
refused - and I consider that as a violation  
of the contract and a forfeiture of wages -  
and I think you have said as much -  
and will agree with me - Uncle Ben told  
me to be sure I was right and go ahead -  
I am confident I am right and can  
not retract - I am a juror and can  
not appear at your office - will be to see  
you as soon as Court breaks. As for paying  
her - I fully intended to pay her for two  
months, had she acted as she ought. She  
was disrespectful and disobedient.

Sir

On the 5<sup>th</sup> inst a settlement  
was made between Elias Mitchell and  
Messrs. Smith & Co. by the Agent  
at Union as is explained  
by the enclosed A/c. On my part  
the other party in the employ of  
Messrs. Smith & Co. by a sum of  
one hundred and fifty dollars  
turned over to Elias at 7 o'clock  
on the 5<sup>th</sup>. And he credited the same  
on the enclosed A/c. While through  
you I now refer the case back to the  
Agent at Union with request that he  
collect the balance due. I desire to say  
that the agent was misinformed in  
the settlement; he has charged Cash &  
Smith \$30<sup>00</sup> in the settlement, when  
Elias own sworn statement enclosed

in the contrary and in fact  
judging from their appearance they  
would not make more than a good  
half hand at this time.

We The undersigned Citizens

I have the honor to represent the case

Personally appeared  
Eliason Jay who being duly  
sworn deposes and says that he  
was familiar with the contract  
between Mr W<sup>m</sup> Wells & Slapley and  
Slapley and the Freedmen.

The contract between Mr Wells  
& Slapley was that Slapley should  
hire the hands & pay the hands &  
deal with them exclusively himself.  
Mr Wells was to be more or less  
responsible to the hands but to Slapley. At  
the end of the year Deposition was  
present where Mr W<sup>m</sup> Wells paid to  
Slapley his (Wells) part of the freedmen  
as per, and was afterward present  
when Nelson Hill told Mr Wells  
that he was perfectly satisfied  
with the settlement made with  
him by Slapley.

Deposition states  
that on the 2<sup>nd</sup> day of July at A. C. C.

together with most all the other  
free owners of the neighborhood  
~~xxxx~~ assembled at the plantation  
of Mr. Stoen to assist Mr. Stoen  
in obtaining his crop, on this  
day Nelson became over-tired  
and was never able to do a good  
days work from that time until  
Christmas, in fact, I suspect, thinks  
Nelson did not go to the field to  
work more than 8 or 10 days after the  
9<sup>th</sup> of July. A servant was in other  
business with Mr. Wells & was on  
the place almost daily.

It is, that  
to his own personal knowledge, according  
to the written contract between Stoen &  
Mr. Nelson Will. Will was to receive  
\$250 for the services of himself & family  
but does not know what Mr. Wells was to receive.

I, \_\_\_\_\_, a duly qualified juror,  
do hereby certify that I have  
been duly sworn and have  
and A. M. Slippy cultivated a crop  
on share crop, as per agreement  
between them. Slippy hired all  
the labor and was himself alone  
responsible for the laborers wages.

It is my duty to certify that  
at the end of the year Slippy  
paid to Slippy his half of the money  
due for labor and told Slippy to  
take the freedom receipt. Slippy  
delivered to the agent the receipt  
of Nelson <sup>will</sup> for the same by Slippy.

The foreman "Wilson Bell" witness  
told the agent in the presence of  
Mr. T. Jay that he was perfectly satisfied  
with the settlement made with him by  
Slippy. The agent states that

Shapiro sent all the affidavits  
against the government and still has  
them. I don't feel confident

is by Shapiro. William Miles

Mr. Frank Gallagher,  
Bot. Capt. U.S.A.  
A. T. A. Dist.  
Atlanta Ga.

Sir,

I have the honor to report that in accordance with S. O. No. 104 of Office Asst. Genl. Bureau No. 10, 11, 12 I visited the offices of the Dist. Asst. Genl. and the Agents of the Bureau at Miami, Amnicus, Dawson and Columbus Ga.

The office of Bot. Maj. Howard, and of Capt. Standen at Miami, was in good order and the books properly kept, except that their own endorsements were entered in red ink.

At Amnicus Books of Letters received & endorsements was not numbered, in many cases there was no record of the date, when a communication was received, some endorsements were copied, where the originals were on file in his office, his own endorsements were copied in red ink, and neither this book nor the journal were indexed.

At the office of Wm. S. Dure at Dawson, neither journal nor Endorsement book indexed, cases of Frank Gallagher,

turned over to the Civil Authorities are not recorded in the journals. Letters received are not numbered in the books, his own endorsements are in red ink, and it is necessary to refer from the record of Letters received, to some other page of the book for the endorsements on them.

Tracy Bahaw at Culbert's, also signs his own endorsements in red ink, and the endorsements are not entered opposite the records of Letters received. Neither his journal nor his note of Letters received is indexed.

In all other respects these offices were found in better condition, than almost any other inspected by me.

I remain, Captain

Dear Sir

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the proposed purchase of the building now occupied by the Department of the Interior, and in reply to inform you that the same has been referred to the Board of Commissioners of the General Land Office, and that they are now engaged in a careful examination of the same. I am, Sir, very respectfully,  
Your obedient servant,  
John C. Smith, Secretary

desired to have the Constitution resumed to their former  
place, if the Government makes no claim to the same,  
Article 17, of an Act of Congress passed July 11<sup>th</sup>  
1864, gives to the Commission of the same, and to the  
said Commission, full power, use, force, and authority,  
and said Commissions, and their agents, officers, and  
agents, to do all such things, and to do the same, as  
they may think proper, to do, in and to the United States,  
and in the Territories, and in all places subject to the same,  
to carry into effect the purposes, and to do the same, as  
appropiate the proceeds derived therefrom to the  
education of the freed people &c.

This Commission is still in force, and under it the  
Commissioners have the right to hold, use, and dispose  
of the documents in question. His possession is  
the possession of the United States, and in relation  
thereto within the United States is a part of the public

of the United States have exclusive jurisdiction,  
In this case the United States claim title by  
right of conquest, and whether that title is a valid  
one or not depends upon the law of war and certain  
act of Congress. But it is a title not questioned  
by the Georgia Court. The military service and  
possession of the land vested, and if any pro-  
ceeding should be instituted in any Court of  
the State of Georgia to procure possession of the  
property in question, it would be for violation of  
the service to give to the Government, by virtue of  
the Department of the South.

It appears that a portion of the land in  
question is now used by the Government  
for a military depot, and in consideration of  
the question of title is to be conveyed to the  
Georgia Court, there is no power to prevent  
Mr. Syke from conveying the same to the Court.

It is a beautiful, even more, case.

"Go ahead"

You will counsel and advise the freedmen in the  
counties under your supervision, not to participate

 we did not have the first year of

 1951. The first meeting was held on

 was set up and met on 11th Nov. It  
 met at Sacramento and passed

 of five people to be the first committee  
 of the U.S. The committee was to report to  
 the next meeting in 1952. The committee  
 was to be the first committee of the

Alfred Royal }  
vs } Action for Damages  
W. A. Brewer }

Witness Examined by Complaining  
Direct Examination

Nathan Bruce on oath Says —

Alfred Royal built house middle of 1865,  
abt July. Built on Land of his. (Nathan)  
Heid land of Mr Brewer under bond for  
title. was to pay 500 dollars. Had made  
no payment. Paid no interest but paid  
rent — the land was to be Brewers until  
paid for — was to pay rent until got title  
Had two years to pay in — Alfred was to  
put good house on Land & to have use of  
it two years. — Saw Brewer and told him  
about Alfred house and he (Brewer) said all  
right the land is yours do as you please.  
Alfred lived in house 5 months. would  
rent for 2, 4 or 5 dollars per month. Gave  
bond back to Brewer. Brewer gave up note  
on return of bond for title. Son of Alfred  
lived in house after bond was given. House  
stood some 3 months after title to land ~~was~~  
was given up — never gave any one any  
title to land after leaving.

Cross Examination

Purchased land of Brewer who gave bond  
for title on payment purchase money — Gave  
note for amt agreed upon — was to pay rent  
quarterly or semi yearly in lieu of interest

was to pay eight or ten dollars per month  
out in lieu of interest on the note. -  
Took possession of land after purchase,  
Leased land to Alfred after taking possession  
for two years. Alfred was to put up frame  
house 18 + 20 feet - ciled overhead with brick  
chimney. House was built with refuse lumber  
Agreement was to build with good lumber.  
House was not ciled. House was weather  
boarded two sides + one side and was placed  
against my house to make or close up the  
side not weather boarded House was  
not removed or torn down before Jordan purchased  
of Mr Brewer. After I moved my shop  
House was not worth anything for rent. House  
was worth 18 or 20 dollars. House would have  
been worth 200 or 300 dollars if agreement  
had been complied with - No chimney to house.  
Went to Mr Brewer to ask <sup>him</sup> abt my right to  
rent land. - I sold the land to Jordan  
abt week before giving up bond -  
Question - Tell what transpired between you +  
Jordan - which was objected to by counsel for  
complacient. - but allowed - Unusual - told  
Jordan abt trade of myself and Alfred. Jordan  
your same as I did. gave information to  
Brewer abt trade The bond was taken back  
to accommodate me and Jordan. -  
Strict Examination

Alfred was not present when trade between me and Jordan was made. Brewer knew of trade between me & Jordan. Brewer made no objection to trade. — There is good deal of trading near there — about 100 yards from Joe Crawford's etc. — Does not know how many feet lumber nor how many lbs nails nor how many shingles was in house —

Cross Et

Lumber was not dressed — different widths joints did not fit. —

H. A. Brewer, Defendant — on oath says — Direct Et —

Sold lot 1<sup>st</sup> August 1846 to Nathaniel Bruce sold it for \$40<sup>00</sup> dollars to be paid within date of sale. Agreement was to be paid in two years from sale. — Gave bond for title to make warranty due to lot in fee simple. Nathaniel was to pay rent in lieu of interest. Nathaniel was in & retained possession. Nathaniel asked if he had right to sub rent any portion of the land I told him I tho't he had under the law.

Question — State what transpired between you Nathaniel & Jordan — which was objected to by complainant — but was allowed —

Answer — Before Jordan traded with Nathaniel or had any talk with him he came to me & I told him (Jordan) had sold to Nathaniel

and Jordan made trade with Nathan  
before I had anything to do with it.  
Was not present when Jordan & Nathan  
made trade. When land was sold to Jordan  
Nathan & myself were present. Never made  
any promises to Royal abt house. Contract  
was made for lease by Nathan & Alfred. Never  
saw house of Alfred until after 1<sup>st</sup> trial.  
only saw it from the street, House was not  
tenable. could not tell whether house was  
made of good lumber or not.

#### Cross E

Nathan paid  $12\frac{56}{100}$  dollars per month for lot  
& shop as rent after he bought.

Told Jordan if he could make any arrangements  
with Nathan so as to give him or get him  
back rent, & the \$40<sup>00</sup> dollars would let  
him (Jordan) have it. — What I wanted  
was the \$40 dollars & back rent.

Took back bond from Nathan & gave him  
(Nathan) the notes & gave similar bond  
to Jordan Sept as to date. —

#### Direct E

Bond given to Nathan was destroyed.

Alfred Royal - Complainant -

On oath says -

Leased lot of Nathau Brewer for two years - Built a house and was to have rent of same two years for building it. Did not finish house according to contract. Lived in house 5 months. Left son in house and went in the country, on returning was refused admittance to same and could neither get in the house nor have anything to do with it. Mr Jordan telling me he had bought said place and owned the whole. Mr Jordan rented said house for ten dollars per month. Did not consent to being turned out of house.

Cross E.

House was rented for ten dollars per month - Do not know what the value of said house for rent. Do not know of my own knowledge that the house was rented. House was in same condition when son lived in it as I left it. House was not to be ceiled. No specifications about lumber or what kind of house to be built. Mr Jordan refused to allow me to go back. Contract was with Nathau Brewer. Did not know Brewer in contract. Did not know

What title Nathan held to lot. House  
was put up as common grocery. Built  
of plank, not refuse nor rough edge  
Some joints did not fit. Do not know  
Value of house. —

Direct \$4.

It would rent for 9<sup>00</sup> dollars per month  
It was built as a little grocery store  
Was near another store kept by a

chimney according to agreement.

Uncle Billy offered me 9<sup>00</sup> dollars per

that Nathan Bruce would swear that Alfie

Alfred Royal  
vs  
H. A. Brewer  
Argument for Compliment  
by  
- N. A. Smith  
Atty

Alfred Royal  
Plaintiff  
vs  
William H. Brewer  
Defendant  
Action for damages  
before Col. J. C. Howell  
Agent C. T. A. S. at  
Americus Geo

Argument  
of J. L. Smith, attorney for the plaintiff, who  
has the honor to submit the following views and  
authorities,

1<sup>st</sup> By the bond for better given by the defendant  
the title did not pass but remained in Brewer  
In support of this position I would refer to refer  
to the following cases, Mason vs Bailey & Park 17<sup>th</sup>  
Geo Reports 600. Martin & Butt vs Knight 21<sup>st</sup>  
Geo Reports 504. Moreover Brewer seems unto  
due quantity upon the place in question, then  
Brewer holding the title to the lot and receiving  
rents therefor was according to the definition  
in the Code (Articles) of Georgia Section 2253  
the landlord and Nathan Brewer the tenant.  
Nathan the tenant with the knowledge and  
consent of Brewer the landlord made a con-  
tract with Alfred the plaintiff, that Alfred  
should build on a portion of the lot a house  
and for the building should have the use of the  
house for his years. This according to the same  
Code Section 2258 makes Brewer liable to  
Alfred for this "substantial improvement  
placed upon his lot by his consent"

2<sup>nd</sup> The proof shows that Brewer with full

Knowledge of the arrangement and agreement between Nathan & Alfred took back from Nathan the bond for title which Nathan held and gave up to Nathan the note which he held for the agreed price of the lot in question. The trade between Brewer & Nathan was thus completely rescinded and Brewer is instantly was placed in the relation to the lot in question and all parties interested in said lot as though no bond for title had ever been made. In thus cancelling the trade he sanctioned and became liable for all legal interests which he knew had been conferred by Nathan concerning the lot in question. He knew of the arrangement with Alfred and Nathan's acts thereunder as he had not known of the building before this sanctioning Nathan's contract made Brewer the principal and Nathan only the agent and this makes Brewer liable to Alfred. In support of this position I would refer to the cases of Perry vs Haddon 10<sup>th</sup> Cal. Rep. 362 and Byrum vs Doughty & Bell 13<sup>th</sup> Geo. Rep. 46. In this connection I would suggest that Brewer received the benefit arising from building the house in question for he had the right to sell the property to whom he pleased the moment the trade with Nathan was cancelled and did actually sell it to improve. Then in equity he should pay Alfred for the increase in value given to the lot by Alfred's improvements on the lot.

3<sup>rd</sup> It may be suggested that Nathan is liable to Alfred. This is undoubtedly legally true but not equitably for Brown - assumed all liability by cancelling the trade after full knowledge of all the facts - Moreover if Nathan is liable Brown is also and Alfred can choose against whom he will proceed to enforce his rights - Nor is Jordan liable under the proof to Alfred either legally or equitably - There is no priority between them, that is Alfred and Jordan

4<sup>th</sup> Brown by the sale to Jordan, without reservation deprived Alfred of the enjoyment and use of the house for nineteen months and should be responsible to Alfred for the full amount of the damage sustained by Alfred by means of his Brown's acts. This damage must be measured by the value of nineteen months' rent. The house rented at ten dollars per month for the next two months after Alfred was deprived of the use of it Alfred before leaving it was offered nine dollars per month rent. Nathan states that it was worth three or four dollars per month rent. The whole testimony of Nathan shows that he was biased in favor of Brown and also that he was judging as to what the house would have rented for as a dwelling while the proof shows that it was to be used as a sort of a store house, near another store kept by a Jewman, these two being the only stores owned and kept by Jewman in the town. This would make the house much

more valuable for rent and shows that the estimate  
by Nathan can not be relied upon. But taking  
an average of the rents as stated by Alfred  
and Nathan, to wit, ten, nine, four and three  
dollars per month and it gives six and one half  
dollars per month, for the minimum months one  
hundred and twenty-three and one-half dollars.  
This is the lowest possible amount that can be  
approved and I submit should be increased  
by at least half the difference between this amount  
and one hundred and ninety dollars.

But counsel  
for the defendant contends that Alfred has not  
complied with his part of the contract by putting  
up such a house as he has agreed to put up.  
There is no proof that any time was specified  
as to when the house should be completed  
and Alfred swears that he was going on to  
complete the house according to contract but  
was prevented by the refusal of Jordan whom  
Brewer has sold from taking possession or  
going on the lot - Thus by the act of Brewer  
in selling the lot without reservation, Alfred  
could not comply on his part with the terms  
of the contract - It is a maxim of law  
that "No man shall profit by his own wrong"  
and Brewer by his own act preventing  
Alfred from complying with his part of  
the contract can not set up this ~~his own~~  
the result of his own deed in bar of  
Alfred's right to recover for the damages

the full amount which Mr. Alfus has ac-  
tually sustained - Brown had the house  
been completed it would have been worth more  
for rent - Besides there is absolutely no proof  
as to the amount it would have taken  
to complete the house according to contract  
and so no data as to the amount that  
should be deducted - if any - and it would  
therefore be a mere guess.

Now - all the evidence  
in this case and the foregoing considerations  
Alfus asks for a judgment against said  
Brown for the full amount of the damages  
which he has sustained

All of which is  
respectfully submitted

have transferred the Bond of Brewer  
to Jordan at the time of sale & no  
one would contend for a sum  
that Brewer would have been  
liable in that event. 3<sup>d</sup> That in  
law Nathan is the real party  
that is liable to Alfred & is well  
able to pay for any damage  
that Alfred has sustained if  
any 4<sup>thly</sup> Should not Nathan be  
able then <sup>as it was a private</sup> Jordan is <sup>part of the</sup> liable for any  
time of sale that he would become liable for any  
the purchaser prosee Nathan &  
dispossessed him Alfred from  
the premises & not Brewer  
5<sup>th</sup> That from the Evidence Alfred  
failed to comply with his contract  
with Nathan in every particular  
and is therefore not entitled to  
recover as he put up a different  
house from what he contracted  
& out of different lumber  
Should you see  
proper in your judgment  
to override my views in this  
Case & hold Brewer liable  
I beg leave to state That plaintiff  
is not entitled to recover near  
the amount contended for.

Because Nathan swears that the house was not worth more than 20 or 25 dollars as it then was & it was worth nothing for rent in its then condition or after the shop was taken off & not more than 3 or 4 dollars per month while the shop was there. The statement of Alfred does not show differently while it is true he states that he could have rented it at 9 dollars per month <sup>on lease</sup>. But when he & planned himself he was offered that sum by a party that had no money & would not rent to him on that account. I admit that he could have got the promise from prudent men here in town of \$2000 per month but that does not prove anything whatever as they would rent with a view of not paying. Therefore Dept prove that he be discharged all of which is respectfully submitted

1  
Alfred Royal vs William A. Brewer  
Action for Damages

The plaintiff relies on three grounds for a recovery as furnished me -  
1st ground that Defendant is liable on the Contract on the Law of Landlord & Tenant Code of Georgia par 437 & 2266  
This law is not applicable to the case at bar, as you will see from the definition of said Code of Landlord & Tenant, par 2261 When the owner of lands grants to another simply the right to possess & enjoy the same of such lands either for a fixed time or at the will of the grantor & the tenant accepts the grant the relation of Landlord & tenant exists between them - Will Nathan receive the mere grant to simply possess the Lot in controversy for a fixed time or at the will of Brewer's Most unquestionable he did not - The Evidence shows that Nathan purchased the Lot & gave him Brewer his notes for the purchase money & Brewer gave his Bond to make a *pro simplici titulo* thereby showing that Nathan purchased & did not lease -

2<sup>nd</sup> By looking to the law as it stood prior to the adoption of the Code of Georgia It is very clear that the rules of Landlord & tenant has been changed very materially & this Code has been adopted by legislative enactment since the decisions were made that is relied on by plain tiffs Council, Because all legislative enactments changing the common law rules take precedent over the common law as it stood formerly therefore I contend that the case of Paxon vs Barley & Ford 17<sup>th</sup> Geo page 600 & Martin vs Burt vs Knight 21<sup>st</sup> Geo Reports page 504 does not apply to this case in any particular. Let us look to the question there decided & see whether or I am correct in my conclusions - The 1<sup>st</sup> case decides this question only that Nathan could not set up an adverse <sup>possession</sup> title to the lot as against Brewer's title to the lot until the purchase money was paid. We do not controvert that proposition nor do we seek to set up an adverse possession that question can not be raised from the evidence. &c

there is not a centilla of evidence  
 on that point. But we admit all  
 the way through & in our bond (which  
 has been lost) that Brewer had the  
 legal title & Nathan an Equitable  
 one which would ripen into a  
 perfect Equity & title upon the pay-  
 ment of the purchase money -  
 The last case only decides that a  
 bond for titles is not a legal title  
 This case does not at all conflict  
 with the view we take of the case  
 for we do not contend that the bond  
 from ~~Arthur~~ Brewer to Nathan was  
 a legal title but an equitable one  
 as such an one that upon the  
 payment of the purchase money  
 Nathan could have compelled  
 Brewer to have made him a legal  
 title in a Court of Equity - *Fair v*  
*Harthright* 5<sup>th</sup> Geo Reports page 6 You  
 will also see the question again  
 decided in the case of *Ston-pur v*  
*Greiffin* 12<sup>th</sup> Geo 450 as to the character  
 of the title & none of the decisions  
 referred to by plaintiffs <sup>Council</sup> change  
 the rule as laid down in the two  
 last stated cases. There is another

view of the question that goes for to  
convince my mind that the doctrine  
of Landlord & Tenant under the  
Code of Georgia did not exist. It  
is this could Brewer have dispossessed  
Notham at will certainly not. He  
held a lien paramount on the Lot  
for the purchase money. But in  
order for him to have dispossessed  
Notham he would have been com-  
pelled to have said the notes  
obtained a judgment & then  
to have made a legal deed & had  
the same recorded in the Clerk's  
office of the Superior Court &  
then had the Lot levied on & sold  
to have paid the purchase money  
that was his only remedy at law  
Code of Georgia Paragraph 3581

2<sup>d</sup> Point Taken by plaintiffs Counsel  
That Brewer is liable as principal agent  
on that doctrine - That is as follows  
as the first ground

Let us see who an agent is under the  
definition of the Code of Georgia Par 2157  
The relation of principal & agent arises  
whenever one person expressly or by im-  
plication authorizes another to

act for him or subsequently ratify  
the acts of another in his behalf -  
Now who was the principal in the  
lease of this lot to ~~Nathan~~, Alfred?  
Nathan most unquestionably  
The evidence shows this fact clearly  
It is an absurdity now to say that  
if I ratified or give my consent  
or did not object to a person erecting  
improvements on ~~the~~ another  
man's premises that I should be  
made liable therefor such a thought  
never entered the mind of any  
one before plaintiffs Council  
+ is not law justice or equity  
that it should be so - The evidence  
shows that this lot at the time of the  
lease was Nathan + admitted so  
by Brewer at the time, I do not  
controvert the doctrine as laid  
down in 10<sup>th</sup> Ves R 362 + 13<sup>th</sup> Ves R  
46 as the cases cited only establish  
the fact that where a person performing  
~~the~~ an act for another unauthorized  
the principal may ratify it + make  
it binding on himself, The act of  
Nathan leasing to plff could not be  
objected to by Brewer as Nathan was

the principal & had the right to dis-  
 pose of his property as he thought  
 to his best interest. Now in order  
 for Brewer to have ratified the act  
 of Nathan he must have been  
 the principal & Nathan authority  
 ed to make the loan - The evidence  
 shows clearly to the reverse -  
 3<sup>d</sup> Ground That West is liable to pay  
 for all damages sustained -  
 We contend that the proof shows  
 that we are not liable in any par-  
 ticular - In the 1<sup>st</sup> place it is admitted  
 that Alfred knew the kind of title  
 that Nathan had at the time of loan  
 & leased with full knowledge of  
 the same - 2<sup>d</sup> That Alfred sublet  
 said premises to his son or son or  
 son in law & that he was not  
 dispossessed of the occupation by  
 any act of Brewer, <sup>but</sup> by John W  
 Gordon to whom Nathan sold  
 While it is true that Brewer took up  
 the Bond & gave Nathan his notes  
 to accommodate Nathan ~~Gordon~~  
 fit in Equity Brewer should stand  
 in the same position that he ~~did~~  
 would have done had Nathan

have transferred the Bond of Brewer  
to Jordan at the time of sale & no  
one would contend for a moment  
that Brewer would have been  
liable in that event. 3<sup>d</sup> That in  
law Nathan is the real party  
that is liable to Alfred & is well  
able to pay for any damages  
that Alfred has sustained if  
any 4<sup>th</sup> <sup>Italy</sup> should not Nathan be  
able then <sup>as it was a part of</sup> Jordan's part at the  
time of sale that he would become liable for any  
the purchaser promises Nathan &  
dispassioned him Alfred from  
the promises & not Brewer  
5<sup>th</sup> That from the evidence Alfred  
failed to comply with his contract  
with Nathan in every particular  
and is therefore not entitled to  
recover as he put up a different  
house from what he contracted  
& out of different lumber  
Should you see  
proper in your judgment  
to overrule my views in this  
case & hold Brewer liable  
I beg leave to state that plaintiff  
is not entitled to recover near  
the amount contended for.

Because Nathan swears that the house was not worth more than 20 or 25 dollars as it then was & it was worth nothing for rent in its then condition or after the shop was taken off & not more than 3 or 4 dollars per month while the shop was there. The statement of Alfred does not show differently while it is true he states that he could have rented it at 9 dollars per month <sup>or more</sup>. But when he & planned himself he was offered that sum by a party that had no money & would not rent to him on that account. I admit that he could have got the promise from prudent men here in town of \$2000 per month but that does not prove anything whatever as they would rent with a view of not paying. Case was settled by Capt Robinson in full upon Dr. Rice's oath to that effect, and proven by other testimony, and was dismissed

Upon a careful & thorough investigation of the condition of the crop & hearing all the testimony of the hands & Mr. Pharr's statement. It appears that Mr. Pharr considered his crop in absolute need of more help in order to save it, in which the Agent concurs, and that on hearing an extra hand ~~was~~ & placing hands in the field Sam Roberts went & in the presence of Mr. Pharr, ordered him to leave & did in reality drive him off by force, & that other hands also threatened him should he attempt to stay. It was therefore ordered that Mr. Pharr have authority to engage help to save his crop & that all the other hands excepting Sam return to work, who is dismissed from the place for violently threatening & attempting to execute threats in Mr. Pharr's presence against one of his hands.

Sir

I have the honor to state, that the time since my assignment to duty in charge of this Dispensary has been so limited that I have been unable through my uniform engagemt. as to the health of this District. In Shelby County I am well informed and would state, that since the year 1854, I have been actively engaged in the practice of medicine in said County, and have never met with so many cases of disease (Scarlet fever, Measles, Rheumatism, Nervous Venereal, & various other diseases) nor of so much suffering, as well of medical attention as exist there at this time. Many cases (from Congestion of vital organs) are fatal, which I think, might have been prevented by proper and timely treatment. The disease now, from various causes, have been unable to make more than an ordinary report, and in many instances being entirely unmet with in this. The patients are young men in a military sense of their usual condition. The physicians are all of the school of the medical medicine in time.

without a fair prospect of termination.  
In this city and vicinity there is much  
sickness, especially in it true about  
the Plains of Georgia in South Georgia.  
As report from Webster, the same causes,  
however, & sickness, spread throughout the  
District, and produce the same effect.

Very Resp. Thy  
J. P. Carter

I. *Separate* reports of Refugees and of Freedmen will be made, month v. to the Surgeon-in-Chief of the District, who will transmit them, together with the consolidated monthly report, on regular blanks, to the Chief Medical Officer of the Bureau.

II. In making out the tabular list, cases remaining from previous months are to be entered in first column. Under the heading of *new cases*, those only are to be entered which have been taken on sick report or received into hospital during the month represented by the report. *All deaths*, however occurring during the month, are to be entered in the column of deaths, opposite the name of the disease causing death.

The "total loss during the month," and "total remaining at date of this report," must equal, when added together, the "total number under treatment during the month."

IV. Patients above and including the age of fourteen will be enumerated as adults; below that age, as children.

V. Whenever cases are entered opposite any of the headings printed in *Tables*, or reported under *Class I*, (and the wound or injury has been received at the hands of another person,) the precise nature of the affection or the circumstances of the case so reported must be set forth in detail in column headed "remarks," or in an accompanying letter of transmittal.
